## about abby singer's bistro

Robinson Film Center is a 501(c)(3) nonprofit arts organization based in Shreveport. Our mission is to educate, enrich, and entertain through the power of film. In addition to exhibiting independent, international, and classic cinema in two movie theaters, RFC provides film history, media literacy, and hands-on filmmaking classes for K-12 students and adult learners. RFC also supports outreach programs that promote and strengthen the city's film industry.

A major part of our operational model is Abby Singer's, a full-service bistro that offers lunch and dinner, a full bar, and catering for our event services. **A part of every dollar spent at our bistro helps support RFC's education programs and overall operations, as well as indirect support for our local film industry.** Thank you for dining with us, and we hope to see you again soon!
